Date 21-8-2023

Proceedings of the pre-bid meeting of "Leasing of OFC network of BESCOM in BMAZ area" held on 18-08-2023 at 11:00 AM Board Room, M.D Block, Corporate office, BESCOM

In the chair: Director (Technical), BESCOM

Officers Present

1. Chief General Manager (Electy),Projects, BESCOM
2. General Manager (Ele), (DAS, SG &TIC), BESCOM
3. Deputy General Manager (Ele), (TIC & SG), BESCOM

Representatives from M/s E&Y LLp, New Delhi,

1. Sri Shuboday Ganta Director | Strategy & Transactions
2. Sri Saiteja Jupudi Senior Associate | Strategy & Transactions

Represenattive from prospective bidders:

1. M/s Lightstorm
2. M/s Bombay Gas
3. M/s Power Grid Corporation of India Limited
4. M/s Excel Telesonic India Pvt Ltd.,
5. M/s Tele India Networks Pvt.Ltd.,

The General Manager, DAS & SG welcomed all the officers, consultant and prospective bidders who were present in the meeting and informed that considering prospective bidders inputs BESCOM has invited tenders for leasing of OFC Network of BESCOM in BMAZ area (feederwise) in KPP portal vide tender Name: BESCOM/GM(DAS&SG)/BC19/2023-24/OFC/17 and Tender No: BESCOM/ 2023-24 / SE0024 for which NIT published in newspapers on 4-8-2023 & 11-08-2023 and in the KPP portal on 10-8-2023. The representatives of the prospective bidders are requested to submit the queries and clarifications regarding the said tender.

M/s Lightstorm and M/s Power Grid Corporation of India Limited has raised queries regarding the tenure, financial capability, handing over of the OFC, for which clarification provided by the GM, DAS and intimated that clarification for the submitted queries will be uploaded in the KPP portal.

21/08

Further, prospective bidders requested for sharing of geo-coordinates of chambers associated with the UG passive infrastructure in the form of .KMZ files for which GM(DAS) informed that the details will be provided after execution of the NDA with BESCOM as per the format available in the BESCOM website.

Also, Prospective bidders expressed that due to updation of the e-procurement portal and issues in accessing the new Karnataka Public Procurement Portal website, not able to download the tender document and requested time for submission of the queries at least for 10 days.

After the submission of the queries and detailed discussion, DT, BESCOM directed GM(DAS) to share the uploaded tender document to the prospective bidders. Also informed the prospective bidders to go through the document and submit the queries as early as possible. Since, leasing of OFC network is first kind of activity and in view of making the tender for leasing of OFC network of BESCOM in BMAZ area successful, will give some time to prospective bidders to view and understand the tender document and submit the queries if any.

For which GM (DAS) expressed that the submitting queries in the KPP portal will be closed as per the tender schedule. However, queries received through e-mails & letters will be considered and bring to the notice of the management for discussion and decision.

Meeting was concluded by giving directions to GM(DAS) by the Chair.

1. To communicate prospective bidders for active participation in the said tender.
2. To give some time to the prospective bidders to view and understand the tender document and wait for ten more days for receiving queries. i.e upto 28-08-2023.
